

### **BreconRidge Corporation Announces New President & Chief Executive Officer (CEO)**

**Ottawa, Canada, February 25, 2008** – BreconRidge Corporation, a world class provider of design and manufacturing services for electronic products in the communications, industrial and defense markets, is pleased to announce the appointment of Cyril McKelvie as President & CEO of the Company, effective immediately.

Mr. McKelvie is one of the co-founders and leaders of the company since its inception in 2001. As such, Mr. McKelvie has an extensive understanding of our customers' unique requirements, and has been a key driver in the development of BreconRidge's strategic direction. Mr. McKelvie brings over 20 years of executive management experience in engineering, research and development and telecommunications.

"The appointment of Cyril as President & CEO is consistent with the strategic course the company has embarked on" said Gilbert Palter, Chairman of the BreconRidge Board of Directors. "Cyril's in-depth knowledge of the organization, our customers and partners, as well as his extensive engineering background will continue to strengthen our emphasis on growth, design services, competitive innovation and striving to add value to our customers."

Former President & CEO Bruce Rodgers will be taking a position on the BreconRidge Board of Directors where the company will continue to benefit from his experience, knowledge of the company and the industry, as well as his strategic insight.

**About BreconRidge:** BreconRidge is a world class provider of innovative design and manufacturing services for electronic products. With facilities located in North America and Asia, [BreconRidge](#) collaborates on voice, video and data applications with the world's leading communications, industrial, medical and aerospace & defense OEMs (original equipment manufacturers).
